

## Sweet Red

**Grapes:** A blend of red varieties from Pfalz, Germany.

**Appellation:** Pfalz, Germany

**Notes:** The weather in Pfalz is generally sunny and dry, allowing the grapes to reach optimum ripeness. The soils are fertile loess and loam with a high mineral content, over underlying limestone. Our winemakers carefully examined the vineyards to determine the day of picking. Ripe, healthy grapes were harvested at the end of October and the grapes were rapidly transported to the winery in custom-made stainless steel containers. The grapes are destemmed and crushed and then fermented at temperatures of around 82°F ensuring excellent extraction of color and soft tannins from the skins.

This wine has a wonderfully deep red color with aromas of cherry and blackberry and just a hint of spice.

**Food Pairing:** This premium wine is delicious on its own, or enjoy it with food such as pasta, pizza and spicy dishes.
