

## TEQUILA 30-30 BLANCO

Tequila crystal with silver reflections, very bright and clean with a high average bulk density.

The first nose has aromas of peach, raw almonds, flowers and herbal. In second nose being white flowers tuberose and orange blossom especially checked.

## TEQUILA 30-30 REPOSADO

Tequila pale yellow straw with reflections, bright and clean. With a low average bulk density.

The first nose dominate herbal and spicy notes: vanilla, coconut, caramel, and a light note of roasted coffee, without leaving behind the aromas of ripe fruit. In second nose they continue to dominate the spicy notes.

## TEQUILA 30-30 ANEJO

This tequila has a beautiful light yellow gold color with reflections. It is bright and clean with a high bulk density.

The first nose is presented with a high intensity and diversity as a complex fruit flavors are in compote, subtle aromas of the barrel and well-defined herbal notes. In second nose we confirm the aromas of fruit such as apple compote and crystallized fruit like orange and sweet potato, leaving behind its floral variety.
