

# NETHERWORLD

**CASCADIAN DARK ALE**  
6% ABV 35-IBUs 22SRM

**Embrace the Darkness.**

- Rooted in basement brewing with his Gramps and bubbling, thick university experiments in zymurgy, our founder, Peter Chiodo, realized his epic vision of craft brewing with the Flying Monkeys in 2009.
- The Flying Monkeys' Mission: Brew Fearlessly. And make beers we love.
- Challenge Normal, because doing it "the way everyone else does it" is just plain Weird.
- Besides LOVE, we use all kinds of other natural ingredients in our beers. Anything fresh and inspiring floating around at brew time is fair game.

## Why Serve Craft Beer?

- From higher margins to more loyal customers, serving craft beer improves your bottom line.
- On average, Craft Beer Drinkers have a 36% higher bill than other beer-drinking patrons.
- Fresh, local Flying Monkeys craft beer costs 35% less than import macro beer but lets you charge the same per tastier pint.

**Style** – Call it a Black IPA or Cascadian Dark Ale, we brewed Netherworld not as a style but in answer to the chorus of voices calling for a dark roasty thing with lots of west coast hops and higher ABV.

**Taste** – A dark roasty beer with lots of west coast hops and a higher ABV. Mud-black with eerie red tinges, this surreal Dark Ale pours with a mocha froth topping an ebony swamp of leafy hops.

**Drinkers** – For the craft beer curious, IPA lovers, and established craft beer supporters. Brewed for adventurous patrons desiring local beers and more excitement than mainstream lagers.

**Serve With** – Perfect for the smokiness of grilled steaks, blackened chicken, pulled pork, BBQ, ribs, chilli, and raw oysters. Also nice with aged cheeses or creamy rich desserts like Tiramisu, butter tarts, or dark chocolate.

## Inside the Recipe

<b>ABV</b>	6%
<b>OG</b>	1060
<b>IBUs</b>	35
<b>SRM</b>	22
<b>Malts</b>	Muntons Crystal 240, Muntons Brown Malt, and Muntons Chocolate Malt.
