

# SMASHBOMB ATOMIC IPA

**INDIA PALE ALE**  
6% ABV 72 IBUs

Warning. This is not a test.

- Rooted in basement brewing with his Gramps and bubbling, thick university experiments in zymurgy, our founder, Peter Chiodo, realized his epic vision of craft brewing with the Flying Monkeys in 2009.
- The Flying Monkeys' Mission: Brew Fearlessly. And make beers we love.
- Challenge Normal, because doing it "the way everyone else does it" is just plain Weird.
- Besides LOVE, we use all kinds of other natural ingredients in our beers. Anything fresh and inspiring floating around at brew time is fair game.

## Why Serve Craft Beer?

- From higher margins to more loyal customers, serving craft beer improves your bottom line.
- On average, Craft Beer Drinkers have a 36% higher bill than other beer-drinking patrons.
- Fresh, local Flying Monkeys craft beer costs 35% less than import macro beer but lets you charge the same per tastier pint.

**Style** – Smashbomb is an authentic Ontario IPA dry-hopped with privately grown Citra Hops. Medium mouthfeel with classic IPA hop intensity balanced by a strong malt backbone.

**Taste** – The initial aroma shockwave that hits your face is the explosive Citra hops with citrusy, piney, and tropical aromas. Then the bitter hop flavour is trailed by the blooming of bready malts balancing the dry atomic burn.

**Drinkers** – Brewed for real IPA lovers and craft beer supporters desiring more eclectic varieties than those offered by mainstream beers.

**Serve With** – Perfect for North America's favourite fried or rich pub foods. Excellent with creamy cheeses like brie or gorgonzola, seafood, classic fish 'n chips, salmon, or poultry like duck and turkey.

## Inside the Recipe

<b>ABV</b>	6%
