## NAUGHTY NEIGHBOUR APA

Sometimes our neighbours are just too enticing to resist! Our award winning American Pale Ale pays homage to our naughty neighbours to the south. For hop lovers, the huge aroma of citrus and pine greet the nose and the hops continue on the palate as hoppy flavor persists, leaving a remarkably easy drinking, crisp, dry finish. We pack this hop aroma and flavour in a brew that is only 4.9% alc./vol. on purpose, which results in a hugely sessionable beer that is perfectly refreshing!

## HEADSTOCK IPA

We admit it. We have a problem... We love our hops. We especially adore the amazing science of hops! As homage to our favourite wonder of nature, we present to you our award-winning Headstock IPA. The flowering humulus lupulus hop-cone provides us with the vital acids, essential oils and resins that permeate throughout our IPA. The result is a deliciously-obscene wallop of tropical fruit, citrus and pine hop flavors and aromas any hop-head would gladly provide a DNA sample for. We conclude that hop science is one tasty passion!

## BOLSHEVIK BASTARD

'Bolshevik Bastard' Russian Imperial Stout Our Nickel Brook 'Bolshevik Bastard' Russian Imperial Stout is a scientific creation brewed especially for those of you who aren't afraid of big and bold flavors! Made with a blend of Roasted, Chocolate and Crystal malts; this Imperial Stout exhibits many deep flavours of rich, roasty chocolate and dark fruit. To counterbalance the sweetness, the Bolshevik Bastard is aggressively hopped to give rise to this remarkably smooth Russian Imperial Stout. Na zdorovy!
