The high elevation Red Hills, Lake County AVA is fast gaining recognition for its distinctive Cabs. Located on the south-west shore of Clear Lake, in the northern Mayacamas Mountains, the grapes typically enjoy a long hang time as hot summer days are cooled by gentle Pacific breezes.

Our Burnside Road 2017 Red Hills, Lake County Cabernet Sauvignon has pronounced aromas of raspberry leading to cherry, cinnamon and rich coffee flavors which fuse on the full, satisfying palate.

The nuanced finish is long and complex with hints of licorice and leather showcasing soft tannins and a well-balanced acidity.

We recommend pairing this wine alongside blue cheese-topped burgers with caramelized onion, hearty shepherd's pie or herb mashed potatoes.
