

# Technical Sheet

# Rowdy Bush

**Wine**

**Petite Sirah**

**Appellation**

**Lodi, California**

**Vintage**

**2018**

## Composition

100% Petite Sirah

## AVA

Petite Sirah is an extremely rare varietal with less than 10,000 acres planted worldwide of which 98% are in the USA. The Lodi AVA is one of the places where this old-vine workhorse thrives.

## Temp/Rain

Lodi AVA averages 78° high and 49° low between April-October with diurnal temp variation of 29°. Average annual precipitation is 20".

## Harvest

Lodi's season got off to a slow start in 2018 due to late bud break, flowering and veraison. A moderate spring followed by a warm July and moderate September allowed the grapes to ripen slowly with average yields.

## The Wine

This Petite Sirah offers showy aromas of blueberry, mocha and plum. A jammy midpalate of cherry, fig and dark fruit are complimented by toasty caramel notes. Lush texture, integrated tannins and slightly higher residual sugar makes this a great wine to enjoy now.

Alcohol 14.5%

French Oak
