100% Bastardo Magarach
Desert red wine
16% vol. alc.
14% sugar vol. contain

ORIGIN

Ukraine, Odessa region, Belgorod-Dniester zone, Shabo village

MADE IN UKRAINE

WINEMAKERS NOTES

Produced from grapes harvested from vines reaching the optimal level of maturity that grow on Shabo terroir sites with favorable microclimate and soil with high quality characteristics. The load on a vine is controlled, ranging between 1.8 and 2.8 kg of grapes per cluster. Grapes are harvested by hand, and 15 minutes later, they are already at the grape receipt and processing facility where they undergo sorting. After that are the vinification using new-generation equipment and blending with aged wines. To preserve the freshness and rich varietal flavor range, the wine is stored in state-of-the-art stainless steel reservoirs with controlled temperature. Quality is controlled at all stages of production process by international experts from the French company Derenoncourt Consultants.

TASTING NOTES

Wine of bright ruby color that has a rich varietal flavor with light chocolate and fruit tones supplemented by an ideal, harmonious taste.

Every bottle is produced from 1.2 kg of the best-quality grapes harvested in Shabo terroir.

SERVING TEMPERATURE

14° to 20° C

RECOMMENDED

with fruits (apples, peaches, pears, apricots), chocolate, and rich desserts
