100% Muscat European grape varieties
Desert white wine
16% vol. alc.
14% sugar vol. contain

ORIGIN

Ukraine, Odessa region, Belgorod-Dniester zone, Shabo village

MADE IN UKRAINE

WINEMAKERS NOTES

Produced from grapes harvested from vines reaching the optimal level of maturity that grow on Shabo terroir sites with favorable microclimate and soil with high quality characteristics. The load on a vine is controlled, ranging between 1.8 and 2.8 kg of grapes per cluster. Grapes are harvested by hand, and 15 minutes later, they are already at the grape receipt and processing facility where they undergo sorting. After that are the vinification using new-generation equipment and blending with aged wines. To preserve the freshness and rich varietal flavor range, the wine is stored in state-of-the-art stainless steel reservoirs with controlled temperature. Quality is controlled at all stages of production process by international experts from the French company Derenoncourt Consultants.

TASTING NOTES

Refined wine has an elegant aroma with nutmeg notes, full, harmonious and soft taste. Its style ideally matches the modern winemaking trend of «wine freshness». Has balance structure and delicate roundness.

Every bottle is produced from 1.2 kg of the best-quality grapes harvested in Shabo terroir.

SERVING TEMPERATURE

8° to 12° C

RECOMMENDED

with desserts and fresh fruits
